

PROTECT YOURSELF & OTHERS

Stopping a Pandemic Requires Using ALL the Tools Available

Getting **VACCINATED** is one of many tools you can take to protect yourself and others.
Other tools, like **MASKS** and **SOCIAL DISTANCING**, help reduce risk.

> What is Arlington County doing to help people get vaccinated?

Arlington County is working with partners to work through the logistics of delivering the vaccine.

> Who is currently eligible; am I?

Vaccines are available for the following groups of people:

People aged 65 and older

People 16-64 with underlying medical conditions

Health Care Workers, Police, Fire & Hazmat

Childcare/K-12 Teachers/Staff (public & private)

Grocery store workers and Public transit workers, Mail carriers

> What can I do?
